Silent Auction Item Donation

Our silent auction last year was successful thanks to the generosity and creativity of many donors. We're looking for the usual and the unusual. You may have access to memorabilia, tickets, a vacation home or perhaps you have an occupation where a day on the job would lend itself to an interesting auction item.

Your donation will be used for either our silent auction or as a golf prize. The FACES Foundation is a 501(c)(3) corporation. You will receive a confirmation letter for your records.
