Saturday, May 21, 2022

8:30 AM Shotgun Start

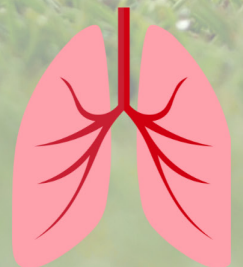

Dunham Hills Golf Club, Hartland, MI

Giving Patients a Voice

Proceeds support the only nationally recognized
hospital-based recognition program dedicated to
honoring outstanding respiratory therapists

Help us help those
with pulmonary
illnesses
"breathe easy"

The FACES Foundation

www.thefacesfoundation.org

The FACES Foundation is a 501 (c) (3)

non-profit organization established in 2006.

Dear Friends,

Mark your calendars and plan to join us for The 16th Annual Philip C. Lamka Memorial Golf Outing & Silent Auction. We've made some changes. It's earlier in the season, **Saturday, May 21st.** and the shotgun start is at **8:30AM.** Please plan to join us.

FACES was established in March 2006 in memory of my husband, Philip C. Lamka, after he passed away in June 2005 from an interstitial lung disease. The foundation originally helped me, and our family and friends, cope with our grief. Over the years, it has grown into a true legacy honoring Phil and is recognized as a national resource for the respiratory community and those it supports.

Our signature program is The PHIL Award® (Pulmonary Health Illnesses of the Lungs). The PHIL Award is the only national hospital-based award honoring respiratory therapists, as nominated by patients, family members and other caregivers. We currently have 153 partners, encompassing 171 hospitals, in 33 states that recognize their "unsung heroes" and give patients and their family members a voice in their care.

The respiratory therapist is with us from the first breath we take to the last, and all our breathing challenges in between. The COVID-19 challenge continues to put a focus on the value of the respiratory therapist as a crucial part of the front line team helping patients through this health crisis. We thank all the respiratory teams in Michigan and across the country.

FACES collaborated again last year with the American Association of Respiratory Care (AARC) on the National Respiratory Patient Advocacy Award. The fifth annual award was presented to Martina Compton RRT, NPS, RPFT at The University of Virginia Health System.

Don't miss this year's event! Your support helps FACES grow current programs, add new ones, and continue to support patients, families and caregivers.

I look forward to seeing you on Saturday, May 21st! If you're unable to join us, please consider making a donation, being an event sponsor, or donating an item for our silent auction.

Best,

Sharman Lamka
President & Co-Founder
